

Resolution authorizing non-general fund supplemental appropriations for replacement security cameras in FCCC1 and FCCC2 (Sheriff)

WHEREAS, the Franklin County Sheriff has requested non-general fund supplemental appropriations in the amount of \$341,000 to replace security cameras in FCCC1 and FCCC2; and

The new security cameras would utilize the most up to date technology, meet the sheriff's office video storage needs, increase the safety of inmates and staff and strengthen countywide continuity by installing the same security camera system that was installed in the new County Courthouse; and

WHEREAS, the Franklin County Sheriff has indicated that the Attorney General has opined that the profits from commissary fund can be used to fund supplemental benefits rather than those that are statutorily required as fulfilling the basic duty of operating a jail (OAG 08-31); now, therefore
